There are a few ways to review hearing screening results for students.

① From your **Dashboard**. The **Dashboard** provides:

- o a summary of all recent screenings by date and school
- o a list of "refer" or "incomplete" screenings that may require additional follow-up per your current procedures

Callout Boxes:

- This section provides a quick reference of students who referred or had incomplete results on their hearing screening and need additional follow-up.
- Use this list to manage screening follow-up per current procedures. Click "Follow-up" to remove students from this list once done. Always find them again under the screening section below or from the Students tab.
- Click a student's name to see more detailed screening results and to log a follow-up note, if needed.
- This section provides a quick reference for all recent screenings by date.

② From the **Students** tab. This tab is useful if you would like to review or manage results for a specific student(s) or filter results for a set of students.

Callout Boxes:

- Filter students by name, grade, school, screening result, etc.
- Print student roster for screening day
- Export student hearing screening results based on filtered list
- Click a student's name to see more detailed screening results and to log a follow-up note, if needed

- 3 When you click on a student name, the following page appears. You can view all screening results, view and edit student information, document logs of follow-up, and use the 'follow-up' section to mark follow-up screening as completed.

The screenshot shows a web interface for student screenings. On the left is a navigation menu with 'TEST' at the top and options for Dashboard, Schools, Students, Devices, and Users. The main content area has two tabs: 'Screenings' (selected) and 'Student Information'. A yellow callout points to the 'Student Information' tab with the text 'View and Edit Student Information'. Below the tabs is a 'Screenings' table with columns for Date, Result, Pure Tone, Tympanometry (Tymp), and DPOAE. Two rows of data are shown: one for 2023-07-12 with an 'Incomplete' result and a 'Follow Up' button, and another for 2023-06-29 with a 'passed' result and a 'Completed' button. A yellow callout points to the 'Follow Up' button with the text 'Press "Follow-up" to mark as "Completed"'. Below the table is an 'Actions' section with a 'Log Follow-up' button highlighted by a blue box. A yellow callout points to this button with the text 'Document a follow-up note (such as, phone call made or letter mailed)'. A modal window titled 'New follow-up action' is shown, containing fields for 'Action' and 'Notes', a 'Save' button, and a 'Back' link. At the bottom of the 'Actions' section are links for 'Edit this student' and 'Back to students'.
